Subject: Reference certificate

Dear Mr. Eperjesi,

According to your request please find hereafter the reference certificate.

Reference Certificate

To Whom it may concern.

It is hereby certified that we have been in a good partnership with Protecta Electronics Company for more than 20 years. The followings played main role in creating and maintaining this relationship:

- **Delivering products of well garanted quality**
- **Deliveries on time**
- **Flexibility in handling the orders**

Protecta Ltd has always kept abreast of the latest and highest international technology level in manufacturing and designing its protective and automatic devices. These devices fulfill technical requirements and have been operating since their installations.

The following product groups delivered by Protecta Ltd have proven the truthfulness of the above facts to MAVIR Zrt on its 400 kV, 220 kV and 120 kV networks:

- DTVA high voltage distance protection
- DTVA-OX high voltage longitudinal protection
- DTRV transformer protection
- DTRV transformer voltage regulator
- BCU bay control unit
- OGYD decentralized busbar protection

Apart from the above listed standard products, the R&D group of Protecta Ltd has always been flexible in supporting us with developing unique products to fulfill our special requirements.

Best regards,
