**Dear Mr. Eperjesi,**

According to your request please find below the reference certificate.

## Reference Certificate

To whom it may concern.

It is hereby certified that we have been in partnership with Protecta Electronics Company for more than 20 years. During the time of this partnership Protecta Kft. has delivered a lot of protection systems of high quality and we have been operating them with satisfaction. The company has always respected the delivery deadlines and have always proved very flexible in handling our orders.

The following product delivered by Protecta Ltd. has proven the truthfulness of the above facts to Pannon Power Zrt on its 120 kV networks:

| Substation                  | Product type         | Installation year |
|-----------------------------|----------------------|-------------------|
| Pécs Biomass 120 kV AIS S/S | DGYD centralized BBP | 2011              |

This system is already in operation. This device fulfils our requirements and has been operating well ever since its installation.

Besides the above product we also use several other types of relays produced by Protecta Ltd.

Best Regards,
